Description

System

System Rank

This system ranks higher than 71% of all systems tested

CPU: Apple M3 (8-core)

Relative Performance

CPU may be performing below the expected range

Temperature

CPU temperature is within the expected range

Power

CPU power consumption is within the expected range

Clock Speed

CPU clock speed is within the typical range

GPU: Apple M3 (10-core)

Relative Performance

GPU is performing within the expected range

Temperature

GPU temperature is within the expected range

Power

GPU power consumption may be below the expected range

Bottleneck

No bottleneck was detected

Stutter

Frame stuttering was detected
